EUROPEAN UNIVERSITY OF LEFKE

“The right choice to be a step ahead”

Dear Students,

It might be the first time in your life to live away from your family when starting studying at a university. The accommodation facilities of European University of Lefke will give you an opportunity to enjoy independence in a comfortable and safe environment. We have a high range of accommodation options based on your preferences.

Our University is home to students from 5 continents and 80 different countries. Most of EUL's students live in EUL's residence halls, which are just walking distance from the place of study. The residence halls offer a safe and good value accommodation with fellow students and are great places to make instant friends. They are comfortable, peaceful and provide to a safe environment.
